

Urology of Indiana

# A PLACE TO CALL HOME

Are you ready to become part of a group that is committed to delivering patient-focused service in a compassionate atmosphere? That values your input and contributions, and provides a financially sound practice with excellent resources for growth – all while achieving quality of life desired by you and your family?

Central Indiana is a thriving metropolitan area that is home to Indianapolis surrounded by incredible suburbs. You'll discover the world class amenities of a large metro, and the accessibility and friendliness of a small town.

The region is known for fast cars and blockbuster events and has also gained acclaim for a flourishing culinary and brewing scene, thriving cultural institutions and great neighborhoods. A culturally diverse population supports an outstanding quality of life for families and individuals alike.

Due to our next phase of growth, we are seeking a urologist to join our thriving practice with 14 locations, including Center of Excellence facilities, regional clinics, a comprehensive Men's Health Center and two Integrated Cancer Centers for Prostate Cancer.

## Here's what you'll find:

- Thousands of patients served annually through a collaborative team of General Urologists, Urologic Subspecialists and Radiation Oncologist
- Revolutionary cancer treatment procedures, including IMRT, Robotic Prostatectomy, Robotic Cystectomy, Robotic Nephrectomy and Robotic Adrenalectomy
- Comprehensive urologic care, including specialty care in Oncology, Stone Disease, Female Pelvic Reconstruction, Sexual Medicine/Andrology and several active Clinical Trial Studies
- Selected additional procedures: Male and Female Slings, Urethral Bulking Procedures, Penile Implant, Artificial Urinary Sphincter, Robotic Prolapse Repair Surgery, UroLift, Rezūm, Aquablation and InterStim
- Ancillary services: Ambulatory Surgery Center (coming soon), Imaging, Research Program, Lab, In-house Dispensary, Genetics and Genomics
